At least 1 week in advance of your visit, I must receive an alphabetized list of all attendees with full name, home address, date and place of birth, and social security number. Please include a brief statement from you that all attendees are U.S. citizens. The Agency cannot admit foreign nationals. Each group must be accompanied by a faculty member or senior sponsor.

Please let me know if any handicapped persons will attend so that I can make special arrangements to assist them. Dear [Redacted]

STAT

This letter is to request that you participate in the group interview segment of the Spring, 1984 Hope College Washington May Term Program.

The group of about fifteen students will include members with majors in the natural sciences, humanities, and social sciences. ✓

The group interview segment of the course involves group interviews of a variety of persons at two to four organizations involved in a particular area of public policy. We have found that this gives students a feel for the issues and an appreciation of different viewpoints.

At present we are planning to look at "CIA and our intelligence needs" as one of these public policy areas. We would like to visit and interview you at your Washington office from 11:00 am-12:00 Noon, Thursday, May 24, 1984. If this time and date are convenient, please call or write a confirmation to my address below. I then will contact the appropriate person at your office to finalize arrangements. If this time conflicts with your schedule and you would like to arrange an alternate date, please let me know as soon as possible. ✓

Thank you for your consideration of this request and I know the group hopes to be able to visit your office.

Sincerely,

Renze L. Hoeksema
Professor of Political Science
